Reciprocal Health Agreements

European Union (not including the EEA or Switzerland)

If **you** are travelling to countries within the European Union (EU), not including the EEA or Switzerland, **you** are strongly advised to obtain a Global Health Insurance Card (GHIC). **You** can apply for a GHIC either online at www.ghic.org.uk or by telephoning 0300 330 1350. This will entitle **you** to benefit from the health care arrangements which exist between countries within the EU.

If **we** agree to pay for a medical expense which has been reduced because **you** have used either a Global Health Insurance Card or private health insurance, **we** will not deduct the **excess** under EMERGENCY MEDICAL EXPENSES.

Important Health Requirements

You must comply with the following conditions in order to have full cover under these benefits. If **you** do not comply **we** may refuse to deal with **your** claim or reduce the amount of any claim payment.

If at the time of purchasing **your** policy or booking **your trip** (whichever is later) you have any pre-existing medical conditions, **you** should discuss **your** travel plans in advance with your General Practitioner.

- You** will be covered for claims arising directly or indirectly from any **pre-existing medical conditions**, provided **your** General Practitioner can confirm that at the time of purchasing **your** policy or booking the **trip** (whichever is later):
 - you were fit to travel;
 - your medical condition(s) were stable and were not likely to worsen;
 - you had not been diagnosed as suffering from a terminal illness
 - you did not know that you would need medical treatment or consultation at any medical facility during your trip;
- If **you** need to make a claim arising directly or indirectly from any **pre-existing medical conditions**, **your** General Practitioner will be asked to confirm all of the above in writing.
- These benefits will not cover **you** if **you**:
 - are travelling against the advice of a **medical practitioner** (or would be travelling against the advice of a **medical practitioner** had **you** sought his/her advice);
 - are travelling with the intention of obtaining medical treatment or consultation abroad;

In addition, **you** will not be covered under EMERGENCY MEDICAL EXPENSES, or for CANCELLATION OR CURTAILMENT due to a medical reason, if **you**:

- are not a permanent resident of, and (where applicable) registered with a General Practitioner in **your country of residence**.

Please Note: Any **pre-existing medical conditions** are not covered unless **we** receive written confirmation at the point of claim, from a **medical practitioner**, that **you** were fit to travel.

Changes in Health

If your health changes after taking out this policy and the change means that a **medical practitioner** is unable to confirm all the points listed under 1 above, **you** can:

- make a claim under CANCELLATION for any trips booked prior to the change in health, or
- continue to travel, but this policy will not cover **you** for any claims under EMERGENCY MEDICAL EXPENSES, CANCELLATION or CURTAILMENT where **your** General Practitioner has advised that **you** are not fit to travel, or
- cancel **your** policy and receive a proportionate refund provided **you** have not travelled, no claim has been made or is intended to be made, and no incident likely to give rise to a claim has occurred.

Breakdown or involved in a road traffic collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If the vehicle breaks down or is involved in a road traffic collision on a French motorway, motorway service area, or other European private motorway, you must use the roadside emergency telephones as we cannot send assistance. If the vehicle is recovered by the police or authorised motorway services, you may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will reimburse these charges as long as the vehicle is towed to the recovery company's depot. This may also apply to other roads, so we recommend you use the emergency phones where available. If they will not send a breakdown recovery vehicle, you should contact us.

Note:

Where you have purchased breakdown cover:

- You and your vehicle must stay together within these limits at all times; if you travel or intend to travel outside these countries, with or without your vehicle, your cover will become invalid and we will not arrange assistance for you nor pay any claims.
- Cover within your home country applies only to the direct journey to and from the seaport or Eurotunnel Le Shuttle terminal and can only be used for journeys where you take a vehicle overseas by waterborne craft or Eurotunnel Le Shuttle and not for crossing estuaries and non-tidal waterways.

If you are not eligible for a hire car arranged by us for any reason, such as you do not meet the hire car provider's terms (e.g. you have points on your licence), and you choose to hire a car yourself, let us know before you hire a car, and then provided we have agreed the cost, we will reimburse you up to £35 per day;
3. Where we arrange a hire car we will pay the insurance and collision damage waiver (this cov-

ers the cost of damage but you would still need to pay the excess).

Not covered

 - ii. up to the amount as shown in the Limits of cover for the cover you have chosen as shown on your policy schedule;
 - d) help you purchase replacement parts if they cannot be found locally and pay for them to be delivered.

Not covered

1. Repair costs, including garage labour charges:
 - a) If the breakdown was due to mis-fuelling or a flat tyre. You are also not covered for any benefits under any other section of this RAC Breakdown Cover unless you have Gold cover, as shown on your policy schedule and your vehicle has a flat tyre and the local garage is closed or does not have a tyre for your vehicle in stock, requiring it to be ordered, we will provide Additional Accommodation Expenses under Section 5 (Onward travel in Europe).
 - b) if the vehicle was in a road traffic collision; or
 - c) if the vehicle repair costs will be more than its market value;
2. Any liability if damage is caused to the vehicle whilst attempting to get keys, which have been locked in the vehicle, out. You are also not covered for any benefits under any other section of this RAC Breakdown Cover; or
3. The costs of any parts.

Please note: By claiming under this section you are authorising us and the garage to undertake fault diagnosis.

Section 4: Missed connection

Please see **your policy schedule** and Limits of Cover to check whether **your RAC Breakdown Cover** includes cover under this section together with the **claim** limits.

Covered

If **we** attend a **breakdown** under Sections 1 or 3 and **you** miss **your** pre-booked connection, **we** will **reimburse you** for the costs of a replacement standard class ticket to allow the **passengers** to continue the trip.

Not Covered

1. The cost of:
 - a) connections where **you** are not travelling in the **vehicle**;
 - b) transport to a destination outside **Europe**; or
 - c) the original travel ticket.

Section 5: Onward travel in Europe

Your RAC Breakdown Cover includes cover under this section.

Covered

If the **vehicle** has **broken-down** or is involved in a **road traffic collision** during a trip in **Europe** and **we** establish that the repairs cannot be completed within the timescale shown in the Limits of cover for the cover **you** have chosen as shown on **your policy schedule**, **we** will help the **driver** by making arrangements for the **passengers** to continue the trip. The **driver** can choose one of the following options based on **your** circumstances and subject to availability:

1. Hire car; or
2. Alternative transport; or
3. Additional accommodation expenses.

If **you** have Gold cover, as shown on **your policy schedule**, **you** are entitled to additional accommodation expenses in addition to either a hire car or alternative transport.

Not covered

Accommodation where the **driver** has suitable alternative accommodation that can be used. Cover under this section will stop once:

1. The **vehicle** has been repaired to a roadworthy condition;
2. The decision to bring the **vehicle home** is made by **us** or **your** motor insurer; or
3. Once **we** establish that the repair costs to the **vehicle** exceed its **market value** under Section 6 (Getting your vehicle home).

Once the **driver** is notified of cover ending, if **they** have a hire car, it must be returned to the place agreed with **us** within 24 hours. The **driver** can keep the hire car for longer if **you** agree this with **us** first and pay for it.

1. Hire Car

Covered

A hire car as a replacement until the **vehicle** has been fixed up to the period shown in the Limits of cover for the cover **you** have chosen as shown on **your policy schedule**.

2. Alternative transport

Covered

A standard class ticket for travel by air, rail, taxi or public transport up to the amount shown in the Limits of cover for the cover **you** have chosen as shown on **your policy schedule**.

3. Additional accommodation expenses

Covered

We will arrange and pay for additional accommodation expenses if **you** are unable to use **your** pre-arranged accommodation up to the amount shown in the Limits of cover for the cover **you** have chosen as shown on **your policy schedule**.

Getting your passengers home

We will provide alternative transport as above to get the **passengers** back home if:

1. The **vehicle** is brought back home under Section 6 (Getting your vehicle home); or

2. Once **we** establish that the repair costs to the **vehicle** exceed its **market value** under Section 6 (Getting your vehicle home).

Section 6: Getting your vehicle home

Your RAC Breakdown Cover includes cover under this section.

Covered

If **we** attend a **breakdown** or **road traffic collision** in **Europe** under Section 3 and the **vehicle** cannot be repaired before the **drivers** planned return to the **UK**, **we** will arrange and pay for:

1. Recovery of the **vehicle** to a single destination of the **drivers** choice within the **UK**; and
2. Storage charges for the **vehicle** whilst awaiting the **vehicle** to be returned to the **UK**; or
3. If the **vehicle** is repaired in **Europe**, the cost of one person to travel to collect the **vehicle** by standard class rail or air fare and public transport up to £600 and a contribution towards room only accommodation up to £50 per day;
4. If the cost of repairing the **vehicle** is greater than its **market value** as a result of a **breakdown** and it has to be disposed of abroad under Customs supervision, **we** will pay the cost of the import duty;
5. **Reimbursement** for a hire car in the **UK** once **we** have brought the **passengers home** under Section 5 (Onward travel in Europe) until the **vehicle** is brought back to the **UK** up to the period shown in the Limits of cover for the cover **you** have chosen as shown on **your policy schedule**.

We will take the **passengers** in the **vehicle home** under Section 5 (Onward Travel in Europe).

It is **our** decision whether to get the **broken-down vehicle home** or have it repaired locally. **We** will follow **your** motor insurer's decision whether to get the **vehicle home** or have it repaired locally following a **road traffic collision** covered by **your** motor insurance. It is **our** decision whether to get **your broken down vehicle home** or have it repaired locally, unless **you** have Gold cover, as shown on **your policy schedule**, and repair costs exceed £500 in which case **you** can choose.

Not covered

1. Any costs:
 - a) if the **vehicle** is beyond **economical repair**;
 - b) covered under **your** motor insurance;

- c) relating to storage once **you** have been notified that the **vehicle** is ready to collect; and
- d) relating to any costs incurred as a result of actions or omissions of **your** motor insurers;

1. **We** will not take the **vehicle** back home if:
 - a) the **vehicle** is roadworthy; or
 - b) a customs officer or other official finds any contents in the **vehicle** that are not legal in that country;
2. Any import duties not relating to the **vehicle**, for example relating to items carried in the **vehicle**;
3. **We** will not cover the costs of fuel, insurance or meals; or
4. **We** will only cover costs under this section up to the **market value**, so if **you** want **us** to bring the **vehicle home** and the costs of bringing the **vehicle home** exceed this amount **you** will need to pay any costs above this amount before **we** make arrangements.

Important

- Following **our** authorisation, it can take up to 14 working days for the **vehicle** to be delivered back to the **UK**. At busy times and from some countries it may take longer.
- If **we** do not bring the **vehicle** back to the **UK**, **you** will have 10 weeks in which to advise **us** of how **you** wish to recover or dispose of it. If **you** do not contact **us** within 10 weeks **we** will dispose of it at **your** cost.

Section 7: Vehicle break-in emergency repairs

Your RAC Breakdown Cover includes cover under this section.

Before claiming under this section the break-in must be reported to the police within 24 hours in order to obtain a written report.

Covered

If the **vehicle** suffers damage to windows, windcreens or locks caused by forcible entry or attempted forcible entry, although this is not a **breakdown** **we** will **reimburse you** up to the amount shown in the Limits of cover for the cover **you** have chosen as shown on **your policy schedule**, for:

1. immediate emergency costs incurred in order to continue the trip; or
2. the costs of recovering the vehicle to a local repairer to ensure the vehicle is secure and roadworthy.

Not covered

1. The cost of any parts; or
2. Any benefits under any other section of this RAC Breakdown Cover.

Section 8: Replacement driver

Your RAC Breakdown Cover includes cover under this section.

Covered

Although this is not covered as a breakdown under this RAC Breakdown Cover, if the driver suddenly or unexpectedly falls ill or is injured during the trip in Europe, meaning they are unable to drive, we will provide a replacement driver to allow the trip to continue or return home. We will require written confirmation from the treating hospital or medical expert that the driver is unable to drive.

Not covered

1. If there is another qualified driver who is a passenger and who is fit and legally able to drive the vehicle.
2. Any benefits under any other section of this RAC Breakdown Cover.

Section 9: European legal care

Your RAC Breakdown Cover includes cover under this section.

Please let us know as soon as possible if you think you may need to claim. If you do not, this may prejudice your claim and may mean we are unable to cover you. Just call us on 0333 202 2981 first for help and advice.

Uninsured Loss Recovery

Covered

If you are involved in an accident or road traffic collision in the UK or Europe during a trip for which you are not at fault and you have uninsured losses, for example your motor insurance excess, that you need to recover, we will:

1. Provide you with help and advice. You must call our helpline straight away, as we will not be able to cover legal costs that have not been agreed by us first;
2. Put you in touch with our legal representative, who will assess your claim; and
3. If our legal representative, in their reasonable opinion, agrees your claim has a 51% or greater chance of succeeding, we will cover you for legal costs, up to a maximum of £100,000 per claim.

Legal Defence

Covered

If you have received a summons to attend a magistrates' court (or equivalent court outside of England and Wales) for an alleged motoring offence involving your vehicle and occurring in the UK or Europe during a trip and you wish to defend this allegation, we will:

1. Provide you with help and advice. You must call our helpline straight away, as we will not be able to cover legal costs that have not been agreed by us first;
2. Put you in touch with our legal representative, who will assess your case; and
3. If in their reasonable opinion, our legal representative agrees you have a 51% or greater chance of successfully defending the alleged offence, we will appoint and pay for a barrister or suitable representative to defend you, up to a maximum of £25,000 per claim.

Not Covered

We cannot provide help if your summons relates to an alcohol, drugs or parking related offence.

Travel Costs

Covered

If you are required to travel to Europe for a medical examination or to attend court, we will reimburse you up to £1,000 per claim, providing:

1. The road traffic collision, accident or traffic offence, occurred in Europe;
2. It is for a claim we have accepted under the Uninsured Loss Recovery or Legal Defence Sections; and
3. Your costs are reasonable, for example you do not purchase first class tickets where standard class is available.

Please contact us as soon as you are aware you may need to travel. We must agree to the travel costs before they are incurred.

Conditions for European Legal Care

1. Legal claims can be complex and technical. You must follow our advice to continue to receive funding from us. If you do not (for example, you go against our advice, fail to co-operate with our reasonable requests, delay the claim, do not submit legal costs to us straight away or take any other action that may harm your case) we may withdraw cover;
2. We will not provide cover for appeals;
3. We will not cover legal costs:
 - a) that have not been agreed by us or were incurred prior to us accepting the claim;
 - b) for claims arising from:
 - i. faults in the vehicle or faulty, incomplete or incorrect service, maintenance or repair of the vehicle; or
 - ii. a road traffic collision occurring during a race, rally or competition;
4. We may withdraw cover if at any point your claim has less than a 51% chance of succeeding;
5. You must always keep any losses you incur to a minimum; ensure you take steps to prevent any loss in the first place and do not do anything that could unnecessarily increase your losses or prejudice your claim. If you do not, we may not cover you and it may affect your ability to claim. Please speak to us if in doubt;
6. We will need to be able to speak directly to any legal representative appointed, or agreed by us, even if this is one you have chosen;
7. Whilst we must appoint the legal representative, you may choose your own if it becomes necessary to start court proceedings, or if there is a conflict of interest. If you wish to do this, please tell us their name and address so we can consider your request. If for any reason we cannot agree to your suggested legal representative, we will ask the Law Society of England and Wales (or similar body) to name one;
8. If you have a dispute with us or complaint about the service provided by us or a legal representative we appoint, please let us know using our complaints procedure. Please note however, this RAC Breakdown Cover will not cover your legal costs in connection with this; and

9. We may decide not to issue legal proceedings, but instead pay you directly for your claim, for example, where the legal costs of your claim are greater than the value of your claim.

General conditions

The following conditions apply to all sections of this RAC Breakdown Cover. If you do not comply we can refuse cover and/or cancel your RAC Breakdown Cover.

1. You must pay your premium;
2. You must request services directly from us, as we will only provide cover if we make arrangements to help you;
3. Where the breakdown is caused by a component failure this must stop the vehicle from working, so for example an air-conditioning failure in itself does not constitute a breakdown, and the illumination of a warning light does not always constitute a breakdown. If it does not, you will need to take the vehicle to a place of repair and your RAC Breakdown Cover will not cover this;
4. How the exchange rate is calculated:
 - a) any costs incurred directly by us in a currency other than GBP will be converted to GBP at the exchange rate used by them at the time;
 - b) costs incurred by you in a currency other than GBP which are recoverable will be converted to GBP either:
 - i. at the exchange rate used by your credit or debit provider; or
 - ii. at the exchange rate used by us when your claim form is received if you paid in cash;
5. Any claim which the driver could make under any other insurance policy. If the value of the claim is more than the amount which can be recovered under another policy we may pay the difference, subject to the limits as shown in this RAC Breakdown Cover;
6. If, following a breakdown, the vehicle needs to be repaired, you must not delay or refuse repairs whilst you are in Europe. If you do, and in our reasonable opinion that would lead to additional costs being incurred, we reserve the right to refuse to provide cover under Section 5 (Onward travel in Europe) or Section 6 (Getting your vehicle home);

7. If the **breakdown** or **road traffic collision** is caused by flooding brought about by adverse weather **we** will only arrange for the **vehicle** to be taken to a local repairer. All further service will be an additional cost paid by **you**, or must be referred to the **vehicle's** motor insurer;
8. **We** will not cover any **claim** for any repairs to a **vehicle** which are not essential in order to continue the **trip**;
9. **We** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair;
10. Where **we** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **we** will not provide cover;
11. A **driver** must be with the **vehicle** when **we** attend;
12. **We** will not be responsible for any loss of or damage to the contents of the **vehicle**;
13. Where **we** recover **passengers** under the age of 16, they must be accompanied by an adult;
14. **We** will not allow animals in **our** vehicles, except service animals. Any animals can remain in the **vehicle** at the **driver's** own risk. **We** will not be liable for any injury to animals, or damage caused by them. **We** will not transport any livestock. **We** will not be responsible for any costs relating to animals;
15. **You** must make sure the **vehicle** meets all relevant laws of the countries visited during a **trip**;
16. The **vehicle** must not carry more passengers than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat, where required;
17. Where **we** provide a repair to the **vehicle**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility;
18. When a hire car, taxi, hotel or similar benefit is arranged under this **RAC Breakdown Cover**, **we** will always try to find a suitable option that is available at the time, however:
- a) **we** are not responsible for the quality or service of each individual hotel, train or taxi booked; and
- b) for hire cars, whilst reputable companies are used, **we** are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
19. **We** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **RAC Breakdown Cover**. For example, **we** will not pay for any loss of earnings or missed appointments;
20. **We** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **we** will try to check that the garage will undertake the type of repairs required, **we** cannot guarantee this. **We** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer;
21. During extreme weather, riots, war, civil unrest, industrial disputes or any other event, **our** services can be interrupted. **We** will resume **our** service to **you** as soon as **we** can in these circumstances;
22. The cost of the following is not covered by this **RAC Breakdown Cover**:
- a) ferry charges for the **vehicle** and **our** vehicle;
- b) spare tyres and wheels and repairing or sourcing them; or
- c) recovery by someone other than **us** even if this is requested by the emergency services. **We** will only provide recovery once instructed to do so by the emergency services;
23. In handling any **claim** there may be more than one option available to the **driver** under this **RAC Breakdown Cover**. **We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with the **driver**, and act reasonably at all times;
24. This **RAC Breakdown Cover** does not cover:
- a) routine servicing, maintenance or assembly of the **vehicle**;
- b) **caravan** or **trailers** if the **policy period** is less than one year, unless the additional premium has been paid;
- c) use of the **vehicle** for any business use;
- d) **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
- e) **breakdowns** that occur, or recovery of the **vehicle** to a destination that is, off the public highway to which the **driver** or **we** have no legal access;
- f) the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines or if the **vehicle** is overloaded under the laws in any country in which the **vehicle** is travelling;
- g) **vehicles** that are not in a roadworthy condition. If **we** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **we** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy **we** will provide service;
- h) any **claim** that is or may be affected by the influence of alcohol or drugs;
- i) any **breakdown** or **road traffic collision** caused by running out of oil or water, frost damage, rust, corrosion or as a result of **vehicle** theft or fire;
- j) **vehicle** storage charges, other than under Section 6. If the **vehicle** is being stored, **you** will be contacted at **your** last known address with details of how to arrange collection and any fees which may be payable. In extreme instances, where the **vehicle** has not been collected and fees not paid, the **vehicle** may be disposed of and any outstanding fees will be deducted. **You** will be notified, in accordance with legislation, prior to this happening; or
- k) any **claim** under this **RAC Breakdown Cover** where the **breakdown** was first reported to **us** under a different policy;
25. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete, and **we** will not be responsible for any errors or omissions.

Additional benefits

The following are provided at no additional charge:

Driver induced faults

If the **vehicle** cannot be driven for any reason other than a **breakdown**, for example if the **vehicle** has broken or cracked glass, the **vehicle** keys are broken or lost or there has been a **driver**-induced fault, **we** will send help to the **vehicle**. If **we** cannot get the **vehicle** going again, **we** will recover the **vehicle** and **passengers** to a local garage. Any **specialist equipment** required by **us** to repair or arrange recovery of the **vehicle** will be chargeable. This service is discretionary and **we** will decide whether or not to provide this service.

Urgent message relay

If the **vehicle** has **broken-down** and the **driver** needs to get in touch with friends and family urgently, **we** will get a message to them.

Additional services

We can provide additional services that are not included in **your RAC Breakdown Cover** but **we** will charge **you** for these, for example to:

1. Purchase the parts **you** need to get on **your** way;
2. Pay for **specialist equipment** to complete the repairs;
3. Extend the hire time for a replacement car; or
4. Arrange a second or extended recovery.

If **you** need extra help, **we** will agree the costs up front and will need full payment before **we** can help. If **you** took out the **RAC Breakdown Cover**, **you** will be responsible for any additional charges so if **we** help someone under **your RAC Breakdown Cover** and they cannot pay, **we** will invoice **you**. This is why **we** request proof of identity at the **breakdown**.

Cancellation of your RAC Breakdown Cover

1. the **start date**; or

6. Pay for additional services or goods in the knowledge that the payment has or will fail, with no intention of providing alternative payment.

1. Restrict the cover available to you at the next renewal;
2. Restrict the payment methods available to you;
3. Refuse to provide any services to you under this **RAC Breakdown Cover** with immediate effect;
4. Immediately cancel this **RAC Breakdown Cover**; and
5. Refuse to sell any **RAC Breakdown Cover** or services to you in the future.

We may also take any of the additional steps as shown above if any claim is found to be fraudulent in any way, and the **RAC Breakdown Cover** will be cancelled with effect from the date of the fraudulent act, and the fraudulent claim forfeited.
